

SurTec® 907

Window Cleaner

Properties

- liquid
- with high cleaning power
- removes dirt very good, especially from hard surfaces like glass
e.g. well-proven for the removal of insects from cockpit windows of airplanes
- applied manually or in spray cleaning
- dries streak-free and spotless

Application

SurTec 907 is used as concentrate and can be applied manually or as spray.

After cleaning, wipe up the surface with a dry towel.

Technical Specification

(at 20°C)	Appearance	Density (g/ml)	pH-value (conc.)
SurTec 907	liquid, colourless	0.970 (0.96-0.98)	approx. 10.4

Ingredients

- anionic surfactants
- alcohols

Product Safety and Ecology

The safety instructions and the instructions for environmental protection have to be followed in order to avoid hazards for people and environment. The Material Safety Data Sheets (according to European legislation) contain explicit details for this.

The following hazard designations and classifications into water hazard classes (WHC) have to be taken into account:

<u>product</u>	<u>hazard designation</u>	<u>water hazard class</u>
SurTec 907	-	WHC 1

Warranty

We are responsible for our products in the context of the valid legal regulations. The warranty exclusively accesses for the delivered state of a product. Warranties and claims for damages after the subsequent treatment of our products do not exist. For details please consider our [general terms and conditions](#).
